Individuals pays USD $50/Term and USD $100 per year affiliation fee, then $50 to exhibit.

REQUIRED / SUPPORTING DOCUMENTS		
1	Institution Registration / Certificate of Incorporation (where applicable)	☐ Attached
2	Authorised Representative Identification	☐ Attached
3	Proof of Payment (PoP)	☐ Attached

What Affiliation Unlocks for Your Institution

Full ANRAIC membership, a FREE Certified ANRAIC Instructor training workshop for 2 teachers per term, exclusive discounted pricing on official Abedai robotics and IoT kits, and a direct competition pathway from School through to the National ANRAIC Finals and Presidential Innovation Showcase.

Application & Declaration

We confirm that the information provided is accurate and agree to comply with the Abedai National Robotics, AI and IoT Challenge (ANRAIC) Policy, rules, and Abedai Technologies Private Limited requirements. We understand that fees may change and do not guarantee awards or selection. Support, referrals, training assistance, and discounted Robotics, AI and IoT kits are available only to fully affiliated and compliant ANRAIC institutions, subject to availability and applicable terms.

Signatures for this application are captured once, on the Declaration and Acceptance of Terms page overleaf.

Important — ANRAIC Kits & Vendors

To guarantee compatibility with official ANRAIC technical specifications and adjudication criteria, Robotics, AI and IoT kits should be sourced through Abedai Shops or an Abedai-approved/trusted vendor — kits obtained elsewhere are not guaranteed to meet competition standards. Schools, organisations, and other interested parties may also apply to become Certified ANRAIC Kit Vendors, subject to Abedai Technologies' approval, certification requirements, and applicable terms.

ANRAIC POLICY — TERMS OF AFFILIATION & PARTICIPATION

The following summary forms part of the application and agreement.

1. Purpose & Affiliation: ANRAIC, administered by Abedai Technologies (Private) Limited, provides schools, organisations, and eligible participants with opportunities to develop skills in Robotics, AI, IoT, programming, innovation, and practical problem-solving. Affiliation is subject to application, approval, applicable fees, and compliance with ANRAIC requirements.

2. Fees & Support: Affiliation, participation, training, certification, kits, and other charges may apply and may be reviewed by Abedai from time to time. Upon payment and confirmation of affiliation, approved institutions may access available Abedai support, including referrals, technical guidance, programme assistance, and applicable discounts, subject to availability and agreed terms.

3. Additional Training & Teachers: Schools or organisations requiring additional professional training may engage Abedai at applicable training rates. Abedai may also, under a separate written agreement, supply qualified teachers/instructors to a school or organisation. Such teachers remain employees or representatives of Abedai, while the contracting institution pays Abedai the agreed service fee. Training may be delivered physically or online and may include Robotics, AI, IoT Foundation Courses, Professional Competence Courses, and Certified ANRAIC Instructor training.

4. Clubs: Where additional Abedai-supported physical club training is requested, a minimum of 15 learners applies at the applicable rate of USD $50 per child per term, excluding kits and equipment. Digital ANRAIC Clubs may operate with any number of learners, provided they can effectively prepare and sustain participation in ANRAIC.

5. Heritage-Based Innovation: ANRAIC promotes Heritage-Based Education, Education 5.0, and NDS2-aligned innovation. Projects must address meaningful problems and demonstrate participant involvement, originality, creativity, technical understanding, and practical application.

6. Prototypes & Originality: Commercially available components may be used, but imported, ready-made, Chinese, LEGO, or substantially completed commercial prototypes shall not qualify as original innovation merely because they are presented by participants. The participant's own design, programming, modification, integration, engineering, and problem-solving shall be considered.

7. Judging & Instructors: Competitions shall be adjudicated using approved ANRAIC criteria. Abedai may appoint Certified ANRAIC Instructors and appropriately qualified, professionally trained and/or multiple certified adjudicators. Official adjudication decisions shall apply in accordance with ANRAIC rules.

8. Winners & Hosting: Winners may receive awards, recognition, and opportunities determined by Abedai. Strong-performing and compliant institutions may be considered to host future ANRAIC challenges; winning does not automatically guarantee hosting, funding, *

sponsorship, or commercialisation.

9. Intellectual Property & Confidentiality: Each party retains ownership of its independently created intellectual property. Abedai retains ownership of ANRAIC branding, curriculum, training materials, systems, and proprietary content. Confidential information shall not be disclosed without authority, and a separate NDA may be required where appropriate.

10. Conduct, Safety & Integrity: Participants and institutions must maintain professional conduct and comply with safety, safeguarding, and competition requirements. Cheating, plagiarism, fraud, bribery, judging manipulation, serious misconduct, or misuse of ANRAIC/Abedai branding may result in disqualification, suspension, or termination.

11. Suspension & Termination: Abedai may suspend or terminate affiliation or participation for serious breach of these terms, non-payment, misconduct, safety concerns, fraud, or conduct that materially compromises the integrity or reputation of ANRAIC.

12. General: Participation does not create an employment, agency, franchise, joint venture, or legal partnership between Abedai and the institution unless separately agreed in writing. These terms and related agreements are governed by the laws of the Republic of Zimbabwe. Abedai may issue or amend reasonable programme rules, procedures, and requirements as ANRAIC develops.

13. Photography & Media: Participation in ANRAIC constitutes consent for Abedai Technologies to photograph, record, publish, and use event-related images, videos, interviews, and other media for documentation, publicity, educational, promotional, and marketing purposes.

Declaration and Acceptance of Terms

I (Full name) _____ (Signature) _____, in my capacity as (Position) _____ of (Institution) _____, hereby confirm that I am duly authorised to enter into this agreement on behalf of the Institution on (Date) _____. I acknowledge that I have read, understood, and accept the ANRAIC Policy, terms and conditions of affiliation, participation, and related services, and agree that the Institution shall comply with all applicable requirements, fees, rules, and procedures issued by Abedai Technologies (Private) Limited. I further confirm that the information provided in this application is true and accurate and that this declaration constitutes the Institution's formal acceptance of the applicable ANRAIC terms.
